Non-Bulk Packaging
May 12-14, 2010
October 13-15, 2010

**Intermediate
Bulk Containers (IBC's)**
November 11-12, 2010

Training with a focus on the requirements for
**Non-Bulk Packaging or Intermediate Bulk
Containers (IBC's)** intended to transport
Hazardous Materials.

Is Training Critical to ***YOUR*** Business?

Have YOU been trained?

Part 172, Subpart H of the Department of Transportation's Title 49 CFR requires initial and recurrent training at least every 3 years.

Who Should attend?

Anyone who:

Designs-Represents-Modifies-Repairs-Marks-Manufactures-Prepares-Reconditions-Tests-Ships Hazardous Materials Packaging.

Why Attend?

Failure to meet the DOT Training requirements in 49 CFR, Part 172, Subpart H, may result in civil and/or criminal penalties of up to \$50,000 per violation.
IT'S THE LAW!

Human error is the number one cause of hazardous materials incidents. The U.S. Department of Transportation requires employers take a systematic training approach to ensure hazmat employees:

- Are familiar with the general hazardous materials requirements;
- Can recognize and identify hazardous materials;
- Know the specific hazardous materials requirements applicable to the job function;
- Are aware of emergency response information, self protective measures and accident prevention measures.

Training cost includes:

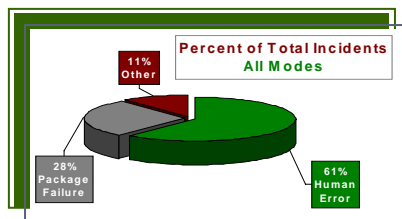

A training manual, a current copy of Title 49 CFR, and a copy of the General Security Awareness CD published by the U.S. Department of Transportation.

Attendee cancellations received less than 7 days prior to the workshop will be assessed a \$75.00 processing fee. TEN-E reserves the right to cancel any class and is obligated to refund only the registration fee. TEN-E is not responsible for loss of travel and/or other expenses incurred.

TEN-E's Workshops are uniquely designed with a focus on Title 49 CFR regulatory requirements for **Non-Bulk Hazardous Materials Packaging or Intermediate Bulk Containers (IBC's)**. Attendees participate in interactive presentations and laboratory exercises to meet the general awareness/familiarization, function specific and security awareness training requirements. Workshop topics include:

- Training Requirements
- Title 49 CFR & PHMSA
- Security Awareness
- Enforcement
- General Requirements
- HAZMAT Table
- Standards & Marking
- Notification & Recordkeeping
- Performance Testing
- Selective Testing
- Distribution Testing
